

## The Mission

Fast Enterprises' Camp Code for Girls strives to expose girls to the power of coding and to spark their interest in pursuing future careers in the STEM fields. This camp is designed for girls entering the 9th grade with limited exposure to software programming. Participants will take part in a variety of educational coding games and activities led by experienced female software developers. Camp Code will introduce participants to a variety of women in technology and explore the diverse opportunities available to women who code.

## Who

Girls interested in software programming (coding) who will be in the 9th grade for the 2020-2021 school year.

## Where

Fast Enterprises Headquarters  
7229 S Alton Way,  
Centennial, CO 80112

## Cost

Camp Code is free!

*FAST is pleased to encourage STEM careers for young women.*

There are limited spots available.  
Registration will end when camp is full.

## About FAST

Formed in 1997, FAST is dedicated to problem-solving, creating solutions, and maintaining strong partnerships. As the premier provider of software and consulting services to government agencies, FAST is active in 33 US states and territories, 11 local governments, three Canadian provinces, and seven national governments. For the past six years, FAST has been named a “Best Place to Work” by Glassdoor and is one of Fortune Magazine’s “100 Best Workplaces for Millennials.”

## Campus

All participants must stay on campus during camp hours. They will have access to the kitchens, break rooms, and game rooms for lunches and breaks.

## Lunches

Lunch will be provided on Monday and Friday of each camp session. All other days participants should bring their own lunch.

## Transportation

Participants will be responsible for their own transportation.

## Financial Assistance

If you require financial assistance with transportation or lunch, please indicate that on your registration form and a Camp Code representative will contact you with details.
