

The Mission: Fast Enterprises' Camp Code for Girls strives to expose girls to the power of coding and to spark their interest in pursuing future careers in the STEM fields. This camp is designed for girls entering the 9th grade with limited exposure to software programming. Participants will take part in a variety of educational coding games and activities led by experienced female software developers, with a one to five instructor to student ratio. These interactive lessons will culminate with participants creating a usable Android app that focuses on improving society. Camp Code will introduce participants to a variety of women in technology and explore the diverse opportunities available to women who code.

Where:

Fast Enterprises Headquarters
7229 S Alton Way, Centennial, CO 80112

Who:

Girls interested in software programming (coding) who will be in the 9th grade for the 2018-2019 school year.

When:

July 9 - 27, 2018 M-F 9:00 am - 3:30 pm
Parent/Camper Orientation: July 8 at 4:00 PM
Project Demos/Family Reception: July 27 at 2:00 PM

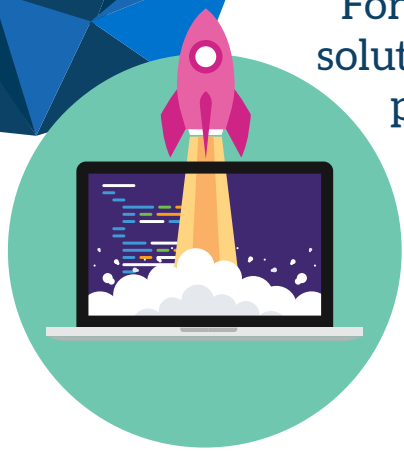

Incentive:

Camp Code is free of cost! Participants who complete the three-week course will receive an Android tablet (or similar device) at the end of the session (dependent upon regular attendance).

FAST
ENTERPRISES

To register, visit <https://www.fastenterprises.com/camp-code/>
Or visit <https://www.fastenterprises.com/>
and click the Camp.Code Registration button.
For more information, email: camp.code.info@fastenterprises.com
There are limited spots available.
Registration will end when camp is full.

About FAST:

Formed in 1997, FAST is dedicated to problem-solving, creating solutions, and maintaining strong partnerships. As the premiere provider of software and consulting services to government agencies, FAST is active in 28 US states and territories, nine local governments, three Canadian provinces, and seven national governments. For the past five years, FAST has been named a “Best Place to Work” by Glassdoor and is one of Fortune Magazine’s “100 Best Workplaces for Millennials” for 2017.

Transportation:

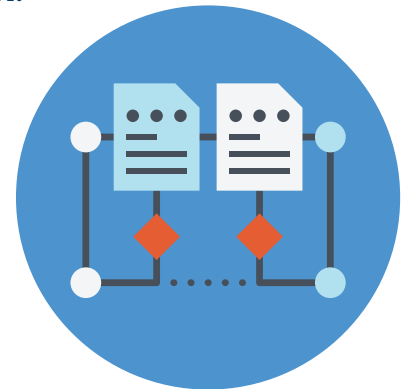

Participants will be responsible for their own transportation.

Lunches:

Lunch will be provided on the first day, July 9, and every Friday: July 13, 20, & 27. All other days participants should bring their own lunch.

Financial Assistance:

If you require financial assistance with transportation or lunch, please indicate that on your registration form and a Camp Code representative will contact you with details.

Campus:

All participants must stay on campus during camp hours. They will have access to the kitchens, break rooms, and game rooms for lunches and breaks.

Field Trip:

Camp may include 1-2 field trips to locations where participants can see real-life ‘code in action.’ Parents and participants will be notified in advance of the field trips.
