EXPLORE TECH
STEM PROGRAM FOR GIRLS 7TH – 8TH GRADES

New this semester!

Female Mines students lead study of their favorite STEM topic.

FALL 2016 TOPICS: Computer Science (CS) and Physics

Due to the popularity of our young girls' program, DISCOVER TECH for grades 3-6, we are now offering continued programming for our middle school age group!

Girls can join us for exploration in **EITHER** CS (intro to programming with Scratch), or Physics (studying what we cannot sense), or **BOTH**!

2016 Fall Session

EXPLORE Computer Science (choose ONE session):

MONDAY session: September 12, September 26, October 10, November 7

TUESDAY session: September 13, September 27, October 11, November 8

WEDNESDAY session: September 14, September 28, October 12, November 9
