EXPLORE Tech

STEM Camp for Girls AND Boys entering 6th – 9th Grades

Focus: Computer Science (CS)

In this camp, participants will create their very own websites by working with CodeHS, a project-based and highly dynamic and interactive web development course that is perfect for beginners and experienced coders alike. By the end of this camp, participants will be able to design, develop, test, troubleshoot, and present a portfolio-worthy website!

2018 Summer Camp Options
Week 1 (for GIRLS): June 4 – 8, 2018
Week 2 (for BOYS): July 9 – 13, 2018
Week 3 (for GIRLS and BOYS): July 30 – August 3, 2018

Location: Colorado School of Mines Campus
Time: 9:00 am – 3:30 pm
Cost: $400
*Includes program t-shirt and lunch in Mines cafeteria
Need-based scholarships available.

Camp Features
Web site design and creation
